Druggists and Sutiers generally. PORTABLE MILLS FOR THE ARMY.

OFFICE OF DEPOT COMMISSION OF SUBMISSION OF SUBMISSION.

Washington, D. C., Nov. —, 1982.

Investors and manufacturers are invited till the 30th December, 1867, to present models and samples of Fortable Mills for grinding wheat and corn for the use of the army.

the use of the army.

The following are the essential conditions the mills must combine to receive consideration when resented by plan, speculation, model and sample 1st. Not to weigh over twenty-five pounds.

3. The grinding surfaces to be of four those grooted chilled iron or steel, and the general contraction of the mill to be suchapone to that of a

irraction of the mail to be analogous to monoto-colies mill:

3d. Each mill to be capable of grinding to pounds of fine flour or meal per hour, and to be capable of leting worked by one man.

4th. Each mill to be so constructed, if necessary, that it can be separated into two parts of equal weight, so as to be carried by two men should the length of march, lack of transportation, or fatigue of the men, or other cause render its carriage los isberious for one man.

of the men, or other cause render its carriage los leborious for one man.

oth. Each mill to be capable of being attached los a wagon longe, branch of tree, or stack of musicial lawesters will submit plans specifications, or such as the mills, or smaple of the mill itself, in the presence of a board of officers. They will be required to present indisputable evidences of their mills combining the essential conditions above entrangement of the catalog is mill to be worked in the fig. mill be presented containing all of the above conditions, and its cost is sufficiently reasonable.

pressures of the said board.

If a mill be presented centraining all of the above conditions, and its cost he sufficiently reasonable in the opinion of the Department to warrant its purchase, a large number will very probably he bought for the use of the army.
